

Roebourne District High School

Dear Parents

2023 SCHOOL CHARGES AND CONTRIBUTIONS

The Roebourne District High School Council has endorsed the schedule of Contributions and Charges for 2023. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$60.00 per student which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution to.

Years K - 6	
English	\$10.00
Maths	\$5.00
HASS	\$5.00
Science	\$5.00
Language	\$5.00
Drama	\$5.00
Two-way Learning	\$5.00
Physical Education and Health	\$10.00
Art and Craft	\$10.00
TOTAL CONTRIBUTION	\$60.00

The School Council has suggested a number of options be offered to assist parents making their contribution.

Option 1 A single contribution of \$60.00 (this can be paid at the school office or direct debit to the Roebourne DHS Bank Account)

Option 2 Four equal contributions, each of \$15.00 made in the first week of each term.

Option 3 Two payments, each of \$30.00 made in the first week of each semester.

The School Council would like to point out the contribution per child (\$60.00) equates to \$1.50 per week over the course of the year

We also point out that all contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate to at least 80% for the benefit of all our children.

2. Charges for Extra Cost Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions, activities for 2023 have been included in the table attached. Details on charges collected in previous years has helped guide the 2023 estimate of charges. The amounts shown represent the maximum charged for scheduled activities in 2023.

The schedule includes costs associated with:

- Specific learning activities and available to **all** students, but conditional on a payment being made e.g. incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made e.g. Tri-School Athletics Carnival, etc.
- Other activities available to all students, but conditional on a payment being made e.g. Pool Entry and camps, etc.

3. Items for Personal Use

The list of items for personal use will vary from student to student and includes:

- Student requirements for all students and used in lessons
eg stationery items, pencils, scissors, paper, head phones, etc.
- Student requirements recommended but not essential for all students
eg tissues, graduation shirt, etc.
- Student requirements for selected students and not directly part of the educational program eg class photographs, etc.

The recommended list of Items for Personal Use for your child has been previously distributed. All materials can be purchased through Kmart or any stationery supplier. Your child will need to have the listed materials each school day so it will be necessary to replace some items, such as pens or pencils, throughout the year.
