Miss Shenara and Miss Selina from the Roebourne School are the Kindilink teachers. Gurlu Gurlu Maya CPC support the program by attending the sessions with families.

Kindilink is for 0-3 year olds and supports a child's development in the year before kindergarten.

There are lots of fun activities on offer and siblings are more than welcome to attend.
Come along and join in the fun. Lunch is provided.

On Wednesdays KindiLink joins in with the Yirramagardu community Program.
