Media Consent

To showcase student's wonderful work, sometimes videos and photographs may be taken of your child/children. These photographs and recordings will be used internally in the school newsletter and externally by the Graham (Polly) Farmer Foundation. The purpose of the use of these photos/recordings is to promote the work being done at Roebourne to support families in the primary school years and to encourage and enhance school attendance.

I have read and understood the information regarding the After School Learning Club and give consent for the students named previously to attend. ✓ or ✗

I understand this is a learning program that requires participants to listen to tutors and behave appropriately. Participants who continue to disrupt or disrespect others will have their caregivers contacted and will be asked to leave for the day. ✓ or ✗

I give media consent for my child/children to be photographed or filmed for educational purposes or publicity to be used by the school and/or the Graham (Polly) Farmer Foundation. ✓ or ✗
