Good Standing Policy

At Roebourne District High School, the **Good Standing Policy** supports our values of Be Safe, Challenge Yourself and Respect. The Policy embraces our motto of 'learning together', and that relationships are the cornerstone of our success as our focus is always on the need of our individual students to be successful and contributing members of our community.

The **Good Standing Policy** emphasises the importance of students taking responsibility for the choices they make on a daily basis, which impacts academically and socially on themselves and others. The Good Standing policy is a part of and works in conjunction with the whole school Behaviour Management Plan and aims to provide regular acknowledgement / recognition for the majority of students who consistently behave and act accordingly.

Good Standing

The Good Standing Policy is a clear process which shows a hierarchical set of responses for consistently positive or negative behaviours.
